# IN STOCK with wheels or without

If you travel, whether it's across town or around the world, these sample bags/cases are designed to make your life easier and more productive. Quality-built to industrial standards, these bags and cases are built specifically for the footwear industry. Standard sizes (soft-sided fabric bags and rigid wheeled cases) are available in stock for immediate shipment. All bags are black with

black handles. Wheeled cases are solid black and feature an exterior strap for carrying additional bags. Model 720W and 740W feature an exterior gusseted pocket. All bags and cases feature padded, adjustable and removable trays to handle all sizes and types of footwear. All trays have straps for easy extraction from cases. See back page for details.

Savannah Luggage Works cases feature roller-blade style wheels, the most rugged in the industry.

# CUSTOM with wheels or without

Need a special size bag or case to carry a particular footwear sample? No problem. Just use your imagination. Any size and virtually any color is available. Don't forget to add your company logo - embroidered, silk screened or leather embossed. Savannah Luggage custom sample bags and cases can be built to accommodate all types of footwear samples. For bags, choose from three

construction types: soft-sided, semi-rigid, and rigid. Rigid wheeled cases are built in one construction type, with many interior tray options to precisely fit your samples. Order any quantity needed — one to one thousand, or more. We're equipped to satisfy your special needs. Just call, write, Fax, or email. See our CUSTOM TECH SHEET for details.

At Savannah Luggage Works you can get what you want to solve your bag/case needs. In many applications bags are the correct solution. In other situations, cases are the clear choice. Not sure? No problem. Call us toll free at 800-673-6371. We are here to help you!

## Standard in stock soft-sided bags:

Standard bags are available in 2 sizes. Both are available in solid black with a black leather handle, black webbing and hardware. These standard bags are soft-sided with adjustable and removable trays with extraction straps. Adjustable trays permit an infinite number of configurations to accommodate virtually any size shoe. Made to industrial standards from high-strength water repellent nylon fabric. Standard bags are built to last using heavy-duty nylon zippers, handles that don't come off, quality stitching, and a leather handle guard. Remove the trays and the bags can be washed for easy cleaning.

	Shoe Capacity <sup>1</sup>	Dimensions <sup>2</sup>	Weight (lbs.)
Model 700 - Solid Black	20 - 40	20"H x 26"L x 9"D	8
Model 710 - Solid Black	30 - 60	20"H x 36"L x 9"D	10

1) Minimum capacity is based on a men's size 7 loafer, maximum capacity is based on a child's size 5 shoe. Boot capacity (not listed) determined by size and shape.

2) H = Height, top to bottom; L = Length, left to right; D = Depth, back to front

## Standard in-stock wheeled cases:

In-stock wheeled cases are available in 5 sizes. All wheeled cases are rigid with telescoping handles for easy use. Model 730WD (wheeled duffel) has a rigid bottom and soft sides. Adjustable, padded shoe trays are easily changed to fit any shoe type and quantity. Other features include tray extraction straps, heavy duty nylon zippers, rugged water-repellent nylon fabric, heavy-duty wheels, industrial grade telescoping handles, two leather carry handles (one on top and one on the side), quality stitching, and industrial grade rigid frames. Exterior strap for carrying additional bags. Available in solid black. Maximum capacity 50 lbs.

	Shoe Capacity <sup>1</sup>	Dimensions <sup>2</sup>	Weight (lbs.)
Model 700W - Solid Black	20 - 40	26"H x 20"L x 9"D	11
Model 710W - Solid Black	30 - 60	36"H x 20"L x 9"D	12
Model 720W - Solid Black	18 - 36	27"H x 15"L x 14"D	12
Model 730WD - Solid Black	36 - 72	36"H x 17"L x 14"D	11
Model 740W - Solid Black	30 - 60	27"H x 23"L x 14"D	12

1) Minimum capacity is based on a men's size 7 loafer, maximum capacity is based on a child's size 5 shoe. Boot capacity (not listed) determined by size and shape.

2) H = Height, top to bottom; L = Length, left to right; D = Depth, back to front

## Custom-Made bags & wheeled cases:

REFER TO OUR CUSTOM TECH SHEET for details. You name it, we can do it. Custom bags & wheeled cases are made to the same high quality as our standard model bags and wheeled cases, only you choose the color, size, and features. Choose storage area configuration, padded compartments, extra pockets, company logos, or whatever you want. Order one bag/case, one thousand bags/cases, or more. All are built to safely carry any shoe sample. Use your imagination to make you and/or your sales force more productive. Call, write, Fax, or email for more details.
